PACKAGE MANAGEMENT

Package management fees cover the costs for the ongoing management of your package funds and compliance and quality assurance activities required by Livable to meet Government Guidelines for Home Care Packages.

Your package management services include:

- Initial setup and management of your package
- Working with you to manage your package funds
- Rostering and scheduling your services
- Supplier payments
- Monthly billing and account administration
- Liaising with MyAgedCare and Medicare regarding your funding

CARE MANAGEMENT

Care management ensures you get the right level of support in a way that meets your current and future care needs.

Your dedicated Care Coordinator will:

- Ensure you receive safe and effective personal care and services
- Review your Home Care Agreement and care plan with you regularly
- Ensure your care is aligned with your goals and other services
- Organise the delivery of your services
- Provide a point-of-contact for you, your carer or your family
- Ensure the care you receive is respectful of your culture and identity
